

## 2018 WAVE-1 ROTATION & PERMANENTLY ASSIGNED WAVE-2 ASSIGNMENT SCHEDULE

Everybody that has signed up to play in LAGA Wednesday League will be identified on the Wednesday Wave-2 Rotation Schedule shown below. Persons listed as Wave-1 Groups 1-4 (one group at a time) will be rotated to play in Wave-2 every fourth week along with permanently assigned Wave-2 players (Wave-2 Group #5). Permanently assigned Wave-2 players will consist of members that prefer to play in Wave-2 on Thursday-AM, Wednesday-PM or played in less than 5 Wednesday tournaments during the previous year. A Wave-2 Schedule List showing all players scheduled to play in Wave-2 the next week will be published as necessary and be placed close to the entry table for review. Persons identified on this list are requested to fill out the non-white WAVE-II Entry Form and specify at the top when you are willing to play. The playing options are "WED-PM" (if enough daylight), "THU-AM" (if available-no tournament is scheduled) and/or "WED-AM" or change the date on the form when you want to play. If you also select "WED-AM" and there is no room you will be placed in your other selection or be carried over to next week.
