

## ***MESSAGE FROM THE PRESIDENT***

Welcome to all new and returning members of the Los Altos Golf Association. 2018 promises to be another great year for the Association. The warm winter weather has made this a great time to practice for the season, and I've seen many of you out on the course. I look forward to meeting all members as the season progresses.

Your 2018 Board of Directors is already busy organizing for this year's events. The first Wednesday play is February 7, 2018. The 2018 weekend tournament committee has met and the finalized schedule will be posted in the next few weeks.

Our Board meetings are held on the third Wednesday of each month at 2:30 PM, in the banquet room, and open to all members. We encourage you to attend and get to know the inner workings of your association board. We are looking for members to assist the board, volunteer to help where needed, and eventually take on various roles within the organization. The continued growth of our association is dependent on the participation of members.

It is my privilege to serve this year as your Association President, and I want to thank those members serving on the 2018 board. Thanks to our past presidents and board members for making our organization a success, and the premier golf club in New Mexico.
