

2015 WAVE-1 ROTATION & PERMANENTLY ASSIGNED WAVE-2 ASSIGNMENT SCHEDULE

02/28/15

Everybody that has signed up to play in LAGA Wednesday League is or will be identified on the Wednesday Wave-2 Rotation Schedule shown below. Persons identified as Wave-1 Groups 1-4 (one group at a time) will be rotated to play in Wave-2 every fourth week along with permanently assigned Wave-2 players. Permanently assigned Wave-2 players will consist of new LAGA members, members that have played in less than 5 Wednesday tournaments the previous year and members wanting or willing to play other than Wednesday morning. Persons identified on this list are requested to fill out the non-white entry form (WAVE-II Entry Form) and specify when they are willing to play Wednesday afternoon if there is enough daylight, Thursday morning if available and/or Wednesday morning if there is room or change the date on the entry form when they want to play. A Wave-2 Schedule List of the affected players will be published when necessary and be placed close to the entry table for review. This Wave-2 entry form will show the options at the top of WED-PM, THU-AM and WED-AM (note Wave-2 players can only play WED-AM if there is room). FYI the golf course is limited to 120 players Wednesday morning when using #1 and #10 tees for making the crossover between the nines and an attempt to keep the round of golf under 4 1/2 hours for everybody Wednesday morning.
