October Las Vegas Scramble Results

WEDNESDAY LEAGUE 2013/2014

The results for the October Las Vegas Scramble Tournament are in! The Los Altos Board of Directors would like to thank everyone whom participated in the 2013 October Tournament. Congratulations go out to: the Winners:

The last Wednesday tournament for 2013 will be November 27. There will be no Thursday schedule on November 28 due to the Thanksgiving holiday. The first Wednesday tournament for 2014 may start on February 5. Entries for this first 2014 tournament would be accepted on January 29 from 8:00 am to 10:00 am at Los Altos Golf Course restaurant. This league is expected to be limited again to the first 220 players due to its popularity. LAGA members that have played in five (5) or more Wednesday tournaments in 2013 may be given preference for being assigned to play in the Wednesday morning schedule as Wave-1. Once the Wave-1 assignments are filled up to 180 persons all others up to another 40 including all new 2014 LAGA members will be permanently assigned to a Wave-2 schedule. A Wave-2 schedule list will be prepared each week that will include one fourth of the Wave-1 assigned players on rotation bases as well as all permanently assigned Wave-2 persons. All persons listed on this Wave-2 list can sign up to play Wednesday afternoon, Thursday morning if available as "OPEN PLAY" (tee times are not reserved) and/or Wednesday morning if there is room. Their playing choice(s) should be annotated at the top of the entry form. If Wednesday morning was the only one identified and there is no room, their entry will be carried over to the following week. This Wave-2 list will be located close to the entry table for review. If a person assigned to play Wednesday morning signs up to play with a Wave-2 scheduled person, that person or group will be scheduled to play wherever the Wave-2 person is placed to play. The reason for this wave process is the limitation of the golf course which can only accommodate around 120 or fewer players Wednesday morning in an attempt to keep the round of golf close to 4 hours and 15 minutes for everybody.

Know the rules.....(not these, necessarily)

You have to hand it to the Brits when it comes to golf. And, you thought you were a tough weather golfer...

This is a notice posted in war-torn Britain in 1940 for golfers with stiff upper lips.

German aircraft from Norway would fly on missions to northern England; because of the icy weather conditions, the barrels of their guns had a small dab of wax to protect them. As they crossed the coast, they would clear their guns by firing a few rounds at the golf courses. Golfers were urged to take cover.

**RICHMOND GOLF CLUB
TEMPORARY RULES. 1940**

1. Players are asked to collect Bomb and Shrapnel splinters to save these causing damage to the Mowing Machines.
2. In competitions, during gunfire or while bombs are falling, players may take cover without penalty for ceasing play.
3. The positions of known delayed action bombs are marked by red flags at a reasonably, but not guaranteed, safe distance therefrom.
4. Shrapnel and/or bomb splinters on the Fairways, or in Bunkers within a club's length of a ball, may be moved without penalty, and no penalty shall be incurred if a ball is thereby caused to move accidentally.
5. A ball moved by enemy action may be replaced, or if lost or destroyed, a ball may be dropped not nearer the hole without penalty.
6. A ball lying in a crater may be lifted and dropped not near the hole, preserving the line to the hole without penalty.
7. A player whose stroke is affected by the simultaneous explosion of a bomb may play another ball from the same place. Penalty one stroke.
