

Wed League September 15/16, 2021 Pairings List

Please sign up for playing by THURSDAY afternoon. We try to prepare and post pairings by Friday if possible. Late entries severely interfere with the timely preparation of tee times. If you are late, your entry will be highlighted in red and you will forfeit all rights to complain about pairings, tee times, the weather, the political party in power, etc.

In other words, just get your entry in, filled out correctly and on time.

Eliminate slow play -- keep pace with the group in front of you. Shoot for a 4 hour (or less) round.
